Dear Friends, Neighbors and Animal Lovers!

Founded in 2000, Feline Friends is a non-profit, volunteer only operated, no-kill cat shelter that provides rescue, rehabilitation, medical attention and rehoming to at risk cats in and throughout Thurston and Mason counties. Our mission is to provide unconditional love and care for **any cat** in need no matter what the circumstance may be.

Whether they come from hoarding situations, are trapped and injured as strays or simply come from a loving family that can no longer provide adequate care, each cat is given a home, love and continuous attention by the Feline Friends Volunteers until we can place them in their "furr-ever home." *Our outreach is far and wide!* We receive calls from Grays Harbor, Lewis, Pierce and many other counties in Washington State. We take in cats rescued from natural disasters such as the recent Oregon wildfires and we operate a trap-spay/neuter-release program for ferals in an effort to decrease unwanted breeding.

We are overcrowded! After almost 18 years we need a new home and to raise funds for our new cat shelter Feline Friends is hosting the **The 1st Annual Purr-fect Hearts Affair**. This gala event will be held February 3, 2018 at Pellegrino's Event Center in Tumwater. Kicking off the night with dinner, drinks and live music we will culminate the evening with a silent and live auction of gifts and services received as donations from friends like you!

Your generous donation would assist in building our new, larger facility and in turn allow us to provide our services to a greater number of cats in need. Our goal for the evening is \$20,000, which would provide the necessary funding for construction, landscaping, and supplies at our new 8-acre location! In addition to service items and gift donations, we are also seeking sponsorships to help fund the event. Donors and sponsors of all levels will receive recognition for your charitable assistance with this event. For more information on how we will recognize your sponsorship or donation please see the following pages.

On behalf of our volunteer staff, furr-ever families, and the many many felines we care for every day

Meow and Thank you!
